

HOW TO CHOOSE A FENCING STYLE

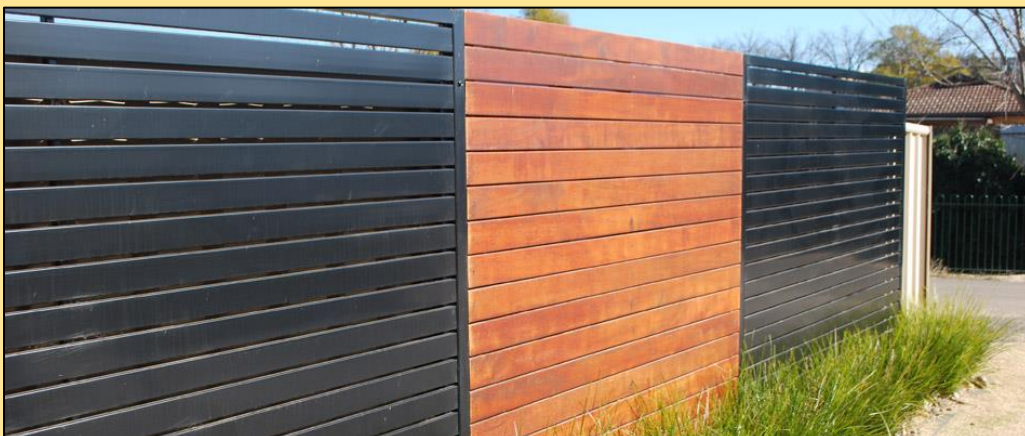

It is important to spend time on choosing the right style of fencing for your home, as many different factors can influence the final choice. The below information may assist.

New styles and advancements in fencing material are always underway. If you would like individual advice tailored just for you, during the [free on site quote](#) your local Jim's Fencing specialist will be happy to go over your answers and the various fencing styles with you to advise what your best options are. Call 131 546 or [Book Online](#) to organise this.

1. Consider Your Priorities

What are the main reasons you are getting a new fence installed? (Choose any)

- | | |
|--|--|
| <input type="checkbox"/> Home security (bad guys out) | <input type="checkbox"/> Privacy |
| <input type="checkbox"/> Keeping children & animals in | <input type="checkbox"/> Changing the home style |
| <input type="checkbox"/> Adding value to your home | <input type="checkbox"/> Modernising your home |
| <input type="checkbox"/> Uniqueness | <input type="checkbox"/> New trends |
| <input type="checkbox"/> Street appeal | <input type="checkbox"/> Meeting a budget |
| <input type="checkbox"/> Fitting an existing style or look | <input type="checkbox"/> Durability/long lasting |
| <input type="checkbox"/> Environmental factors – sun/wind | <input type="checkbox"/> Meeting estate/council guidelines |
| <input type="checkbox"/> Noise reduction | <input type="checkbox"/> Low maintenance |

Timber & Aluminium
Slat Screen.

Some fencing styles
offer more privacy
than others.

2. Look at photos of a range of styles and note what appeals to you below:

- | | |
|---|--------------------------------------|
| <input type="checkbox"/> Chain wire | <input type="checkbox"/> Paling |
| <input type="checkbox"/> Colorbond | <input type="checkbox"/> Picket |
| <input type="checkbox"/> Emu wire | <input type="checkbox"/> Glass |
| <input type="checkbox"/> Modular system | <input type="checkbox"/> Post & wire |
| <input type="checkbox"/> PVC | <input type="checkbox"/> Slat screen |
| <input type="checkbox"/> Hardifence | <input type="checkbox"/> Tubular |
| <input type="checkbox"/> Hebel modular | |

You can see descriptions and images of the more common styles [on our website](#), as well as a range of fencing images in our [Portfolio](#).

PVC Post & Rail Fence.

PVC can provide the durability of steel with the look of timber.

3. Find out the investment required & make a choice.

Your local Jim's Fencer can provide you with a written quote on any style of fencing you are considering. When looking at cost remember that affordability is important, spending slightly more on a quality fence may save you lots of money in the future.
